Graduation

We will be holding our Winter Commencement Exercises Wednesday, Jan. 13, 2021, at 6pm in the RAX gymnasium. All guests will be socially distanced.

COVID-19 Protocol

Coastal Plains Glynn is continuing to follow protocols to help ensure we remain as safe as possible while returning to meeting face to face at RAX. We are screening all students, staff, and visitors when they come on site for contact and symptoms; we have limited opportunities for unnecessary interaction; we have set up our site to maintain social distancing; as well as other protocols. For a complete list of what we are doing, ask your mentor or speak to your site director.

Schedule

Students should access the Glynn Coastal Plains Master Work Schedule to see what staff members are working each night.

Students can email the staff members with questions if they are unable to attend on-site that night, but only students approved for Distance Learning can get tests unlocked for them. The

You can also download the app from the app store for more cool features. We use the app to share important information and “reminders.” Let your mentor or site director know if you have any questions.

Gradpoint is GONE!

Thursday, Dec. 17, marked our final day of using Gradpoint as our online course delivery platform. We have now fully migrated to Edgenuity as our sole online course delivery model. If you have any questions, please ask a teacher or site director.
