Ready? ... Set... GOALS!

The new year brings new opportunities to set and reach goals that will help you get that diploma! You must acquire 23 credits to graduate. So, set goals, & make it happen! Remember that your goals should be SMART – specific, m measurable, attainable, r realistic, and time-bound.

Course Completion Incentives

In the rush to finish GradPoint classes, many Jeff Davis site students are celebrating course completion in a big way. Finish a course, and get a gift card and a goody bag filled to the rim! Now, it's on to finishing the remaining needed classes in Edgenuity and then obtaining that coveted diploma!

(left-right) Reeanna Smith, Tashanna Jones, Keterrika Stegall, and Raciel Rubio were delighted to receive incentives for finishing courses.

Students Paint Ornaments for School Christmas Tree

Students were excited to be able to paint some old-fashioned salt dough ornaments to decorate the site's own Christmas tree. Career Specialist Mrs. Dawn Varnadoe made the ornaments, and Jeff Davis students painted them during snack times.
