New Year, New You!

Happy New Year! The year 2020 proved to be one of the most memorable years in history. Despite its challenges, we ended it on a beautiful note! The faculty and staff of Coastal Plains Charter hope that you all had a relaxing break and enjoyed your time spent with family and friends. The year of 2021 has officially started, so let's begin our new year with positive attitudes and a dogmatic work ethic. Do not dwell on the past! Let's use our growth and knowledge from the previous year as lessons to construct new goals towards improvement for 2021! Whether it is better grades or a new job, the possibilities are endless! Make a action plan and get started! Strive to make 2021 our best year yet!

Dr. Martin Luther King, Jr, an American minister, activist, and trendsetter, would have celebrated his 92nd birthday on January 15th.
