

Coastal Plains Plus Guidelines and Agreement

Coastal Plains Plus is designed as a community benefit for older students that are no longer able to receive FTE state funding. The following criteria apply to those interested.

- Coastal Plains counselor must complete a transcript review for interested students.
- Students are eligible if 5 credits or fewer are required for a high school diploma.
- There is no age limit for Coastal Plains Plus.
- The cost of attendance is \$150. Per Carnegie unit. Money order or Cashiers Check made payable to Coastal Plains Charter.
- Hours of attendance will be set by Site Directors based on seating availability.
- Graduation Coaches will monitor course completion and communicate with students when they are in need of additional support.
- Student discipline standards for all Coastal Plains students are expected for those enrolled in Coastal Plains Plus. See Student Handbook for complete information.
- Current Coastal Plains students aging-out of state funding must have five or fewer classes to complete. These student can continue in currently enrolled classes with no fee, but must pay for additional courses required for graduation.
- See Superintendent or Regional Director for Student Services regarding extenuating circumstances.
