
Application Process

Your application is the first step toward the experience of a lifetime.

Video overview

Learn all about the application process. In addition, talk to a recruiter <http://www.peacecorps.gov/volunteer/connect-with-a-recruiter/> before you apply for insights into the process and help strengthening your application.

Legal and medical clearances are also key factors in selection.

Search current openings and apply to the one that best suits your skills and interest, or apply to where you are needed most <<http://www.peacecorps.gov/apply/where-needed-most/>> and we'll select the position that best suits your skills.

2

Apply

You can only have one active Peace Corps Volunteer application. Filling out the application is fast and easy, taking about an hour to complete. Read the FAQs. <<http://www.peacecorps.gov/faqs/applying/>>

3

Health History

Provide your health history so we can understand your individual medical needs.

Please review the important medical information for applicants <<http://www.peacecorps.gov/volunteer/health-and-safety/medical-information-applicants/>>.

4

Interview

If selected, interview via videoconference.

5

Invitation

If chosen, accept your invitation to serve.

- Video: Pre-departure process
- Checklist: Pre-departure tasks <<http://www.peacecorps.gov/apply/pre-departure-checklist/>>

6

Medical and Legal Clearance

Provide additional medical and legal information. Our medical team will certify that medical support for your specific needs can be provided.

- Video: Medical clearance process

7 Onboarding

Two months prior to service you'll complete the online documentation required for departure.

8 Departure

Embark on your Peace Corps service assignment!
